To Vukisha95staff <vukisha95staff@lvcthealth.org>

Dear Team,

I hope this message finds you well. Following the official communication regarding office closure for Christmas on **Friday, 19 December 2025**, please take note of the following guidance on People & Culture end-year close activities:

1. Leave Management

- **Annual Leave:** Five days must be recorded as annual leave during the holiday break (**22, 23, 29, 30 December 2025 and 2 January 2026**). The two bonus days granted by the Executive Director (**24 and 31 December**) are already reflected in the ERP system; no further action is required.
- **Leave Planning:** Supervisors are requested to prepare leave schedules for their teams to ensure continuity of operations as team members proceed on leave.
- **Accrued Leave:** Staff with excess accrued annual leave are advised to utilize these days between **January** and **February 2026**, noting that only **five days** may be carried forward in accordance with the HR Policy Manual.
- **Insufficient Leave Days:** Staff who do not have sufficient annual leave days during this period will accrue a negative leave balance, which shall be recovered against their entitlement in the subsequent quarter.
- **ERP Applications:** All leave requests must be submitted through the ERP system and approved promptly by supervisors.

2. Timesheet Submission

The December timesheet is now open. Please ensure submission by **Wednesday, 17 December 2025**.

3. End-Year Staff Meeting

You are invited to the Project All-Staff End-Year meeting on **Thursday, 18 December 2025 in Homa Bay**. This will be an opportunity to connect, reflect on the year, and celebrate our achievements.

Please reach out for any clarification or support. Thank you and looking forward to your cooperation.

Best regards,

Catherine Nanjala
