Damage of asset, the tablet is rejecting the sim card.	
2. Location, Date and Local Time of the Incident:	
Makongeni sub country hospital, 13 th June 2024	
3. Persons involved in the incident:	
Cyprose Achieng	
4. Extent of personal injuries, losses, damage to property sustained:	
The tablet is rejecting the sim card	

5. Full account / description of the incident(* attach a separate sheet if necessary. For vehicle Insurance include a sketch):

On 13th June 2024 after using the tablet, I switched it off and went home leaving it at the hospital. Then on 14th June 2024 in the morning when I tried to switch it on it was showing insert simcard message on the screen. I checked the simcard holder and it had the simcard so I tried again on and off and it displayed the same message over and over so I shared with the SIT office. Mr. Obota, he tried too but it didn't work and he advised I keep it as they find a way to repair it.

6. Report filed with police? Yes/No – Date – (forward copy of police report if applicable)

If Yes, attach the original abstract. If no, Indicate why.

NO

Project Director:

Notes on Loss of assets as guided by Finance Manual Section 5: Management of Assets:

- 1) Any asset loss must be reported by the employee in writing. The report shall be addressed to Finance and Administration Lead and the Project Director through the employee supervisor.
- 2) Upon reporting, the Finance and Administration Lead shall ensure that investigations are carried out to determine how the loss occurred as well as try to recover the lost item.
- 3) If it is determined that the lost item cannot be traced, the person who lost the asset will report the loss to the police station immediately. He/she will record a statement on the loss and obtain a police abstract. Finance and Administration Lead will ensure that the loss is reported to the insurance company for compensation for insured assets.
- 4) The duly signed loss report accompanied by supporting original police abstract shall be submitted to the Finance and Administration Lead through the employee's supervisor for necessary further action.
- 5) Donor requirements for reporting of losses shall be adhered to. Where in doubt, necessary clarification shall be sort from the Compliance Lead including reference to the award document.
- 6) Where an investigation indicates that the asset loss was as a result of willful negligence, fraud, theft or misappropriation by the employee, the employee shall be subject to;
 - Disciplinary action in accordance with the Human Resources Manual and or
 - A criminal investigation by the police
 - Recovery of the loss
 - The value of the asset will also be recovered through deduction from employees' salaries and final dues and direct payment as applicable.
